

# DEPLOY

LARGEST FORCE FROM U.S.  
TO EUROPE IN MORE THAN  
**25 YEARS**

**20,000**

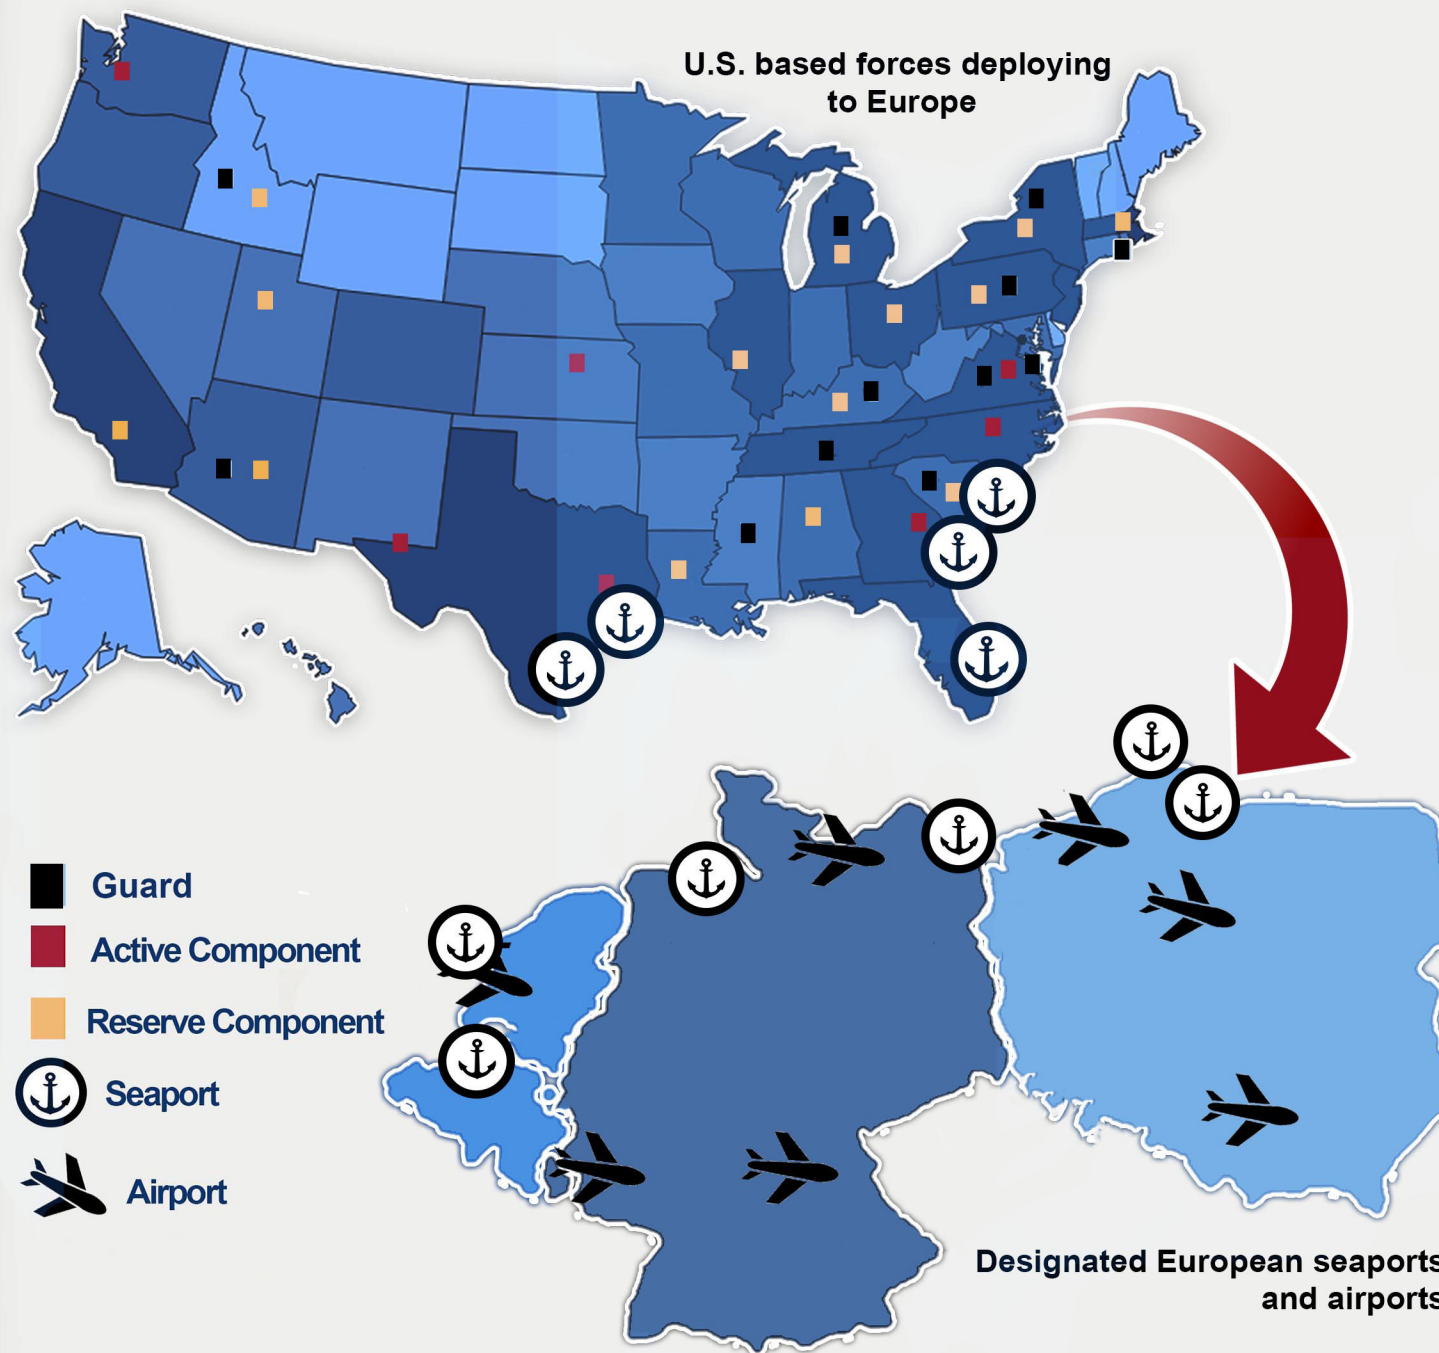

ACTIVE, GUARD & RESERVE

## STRATEGIC MOVEMENT

U.S. Army Forces Command deploys  
a division-size force from their home  
stations to Europe.

U.S. Transportation Command and  
the U.S. Army Military Surface  
Deployment and Distribution Command  
transports equipment from the U.S.  
to various seaports in Europe.

**DEFENDER Europe 20 demonstrates the U.S. military's ability to quickly  
deploy a large combat-credible force to support NATO & respond to any crisis.**
